

Limited Warranty

We are confident in the excellent dental services that we provide and offer a limited warranty agreement to our patients. Our goal is not only to treat your current dental problems, but also to ensure your dental health for life. We strive to work with each patient to correct conditions before they become costly and serious, preventing future dental health issues and unnecessary discomfort. The warranty agreement is offered to patients that follow a regular hygiene schedule in accordance with our recommended treatment plan.

Sealants

A sealant is a plastic material that is the bonding to the chewing surfaces of the teeth. This creates a barrier over the pits and grooves of the teeth and is clinically proven to significantly reduce the risk of tooth decay. Sealants will be repaired or replaced for a period of 1 year after placement.

Composites (Tooth colored fillings)

A composite filling is a metal-free filling. If the composite restoration fails or breaks, it will be repaired or replaced for up to a period of 2 years after placement. Some exceptions will apply.

Porcelain Fused with Metal (PFM) Lab fabricated crowns or bridges, Inlays, Onlay and veneers

We warranty these restorations for a period of 12 months. We will repair or replace them at no charge if they break. This does not include personal injury, accidents, chewing ice or non food items or intentional damage.

Captek, Empress and other upgraded restorations

We warranty these restorations for a period of up to 3 years provided that you maintain your regularly prescribed preventative (cleaning and exam) appointments. We will repair or replace them at no charge if they fail. This does not include personal injury, accidents, chewing ice or non food items or intentional damage.

Cercon, Procera, Bruxzir or other CZ Milled Restoration

We warranty these restorations for a period of up to 7 years provided that you maintain your regularly prescribed preventative (cleaning and exam) appointments. We will repair or replace them at no charge if they are defective. This does not include personal injury, accidents, chewing ice or non food items or intentional damage.

Provisions and What is not covered by Limited Dental Warranty

1. Failure to follow your prescribed care visits (3, 4 or 6 months) for professional exam, x-rays and cleaning.
2. Failure to keep account in good standing.
3. Failures or damage to restorations caused by traumatic injuries, chewing ice or non food items or improper oral hygiene.
4. Failure to complete necessary gum treatments as prescribed by our office to prevent gum and tooth decay, which have a tendency to spread from tooth to tooth.

All warranties are provided only if you continue to keep your regular re-care appointments (minimum of every 6 months) and give us at least 48 hours in advance notice of your need to change appointments, or this warranty is null and void.

This warranty does not cover normal wear, accidental damage, pet damage, obvious abuse, or failure to complete recommended treatment in our office, such as placing a crown to protect a tooth after root canal therapy.
